

# Kathmandu- Pokhara- Chitwan-Jhapa Tour (9 Days)

If you have heard about Jhapa, Nepal, you might as well have heard that it is called Grain Grocery of Nepal. While mountains of Nepal get plenty of attention, plain lands are mostly overlooked and their historical, cultural and natural importance get shadowed.

Jhapa may only be the most varied district in Nepal. Jhapa has over 110 ethnic groups, including Santhal and Gangai (Gangai) endangered tribes among the country's 126 castes/ethnic groups. In the south part of the district, the majority of marginalized indigenous tribes remain, while Rajbanshi and Muslim groups live in Kachankawa and Kichakvadh, bordering local units.

Each Jhapa culture is as dynamic and cultural as the next one. Festivals like Dadikado, Siruwa and Fagu are just for Rajbanshis but also for Dashayen, Sorahaya and Faguwa.

Himalayan Social Journey introduced this touring package with outstanding tourist hubs of Nepal. Pokhara, Chitwan, and Jhapa in nine days tour. This is for the people that are not only seeking adventure, natural beauty but also cultural diversity and immersion. A deeper look at the social and traditional counterparts of the plain region of Nepal.
