

SETI WHITE RIVER RAFTING

Seti River Rafting is an exciting gateway away from swarming city to the lush jungles. The warm and beautiful Seti River offers beautiful scene courses through lush hills escorting amazing sceneries of the jungle and valleys. The rafting itself is exciting as the level of water rapids is from III to IV. Just half hour drive from the beautiful city of Pokhara, you will reach your rafting destination. The close jungle and the sandy white riverside, makes the trip even more fun. Seti River Rafting trip is considered as easy trip and thus it can be visited with friends and family. Other than, adventure lovers, who would love to a day or two excursing through the rivers of Nepal, they should definitely try for Seti River Rafting tour. Likewise, Seti River can offer an ideal trip for those wanting to experience their first time river trip with the stunning river scenery in Nepal and without the intensity of complex or challenging rapids. During the monsoon the intensity of the rapids increases and attracts a radically different set of rafters. Seti River is a gentle river traversing through the Himalayan peaks and has lots of small and straightforward rapids. Himalayan Social Journey will assist you in any type of river activity you want to commute and create exciting memory for you.
