Tour Description

Overview

Annapurna Circuit Trekking is popular as one of the adventurous trekking trails in Nepal. Also being a classical trek in Nepal, it bridges two distinct regions, Annapurna and Mustang and offers holistic insights of both regions. This is an ideal trek who love thrills of adventure along with vegetated landscaped to the arid kingdom of Manang and Mustang. You will visit the world's highest lake, "Tilicho Lake" which lies at 4919m altitude. One of the world's highest passes, Thorung La Pass (5416m) offers us real ecstasy of the adventurous trek. Stepping into awe-inspiring landscapes, cascading waterfalls, ethnic settlements and most important, dry and rugged landscapes in the lap of Himalayas are strikingly amazing to experience during this trial.

Journey Route to Annapurna Circuit Trek

Annapurna Circuit trekking commences from Manang after driving 2 days from Kathmandu. The trail then ascends along Kaligandaki Valley. We will also experience the deepest gorge, Kaligandaki Gorge. You will reach to world's highest lake, Tilicho lake, which below the North Face of Tilicho and is extremely cold and shimmering in the light. Tilicho lake also has significance for Hindus and is mentioned in one of their holy scriptures. Gradually, the trail takes you to Thorang La Pass which offers you astounding views of mountain giants including Dhaulagiri and Annapurna massif. Then, the trails pass via arid valleys Manang and Mustang. Tatopani is one of the striking highlights of this trekking where we can dip our body into a natural hot spring. The experience will be, of course pleasing.

Mukthinath is a prominent site to visit on this trek. It is a popular Hindu pilgrimage site. 108 water spouts and a natural flame which never goes out are prime attractions of Mukthinath. The trek ends with our flight to Pokhara from Jomsom followed by a drive or flight to Kathmandu.

Detailed Itinerary

Day 1: Arrival Day

Altitude: Kathmandu (1400m) | Overnight: Himalayan Suite Hotel

Your arrival to Tribhuvan International Airport and transfer to hotel. At evening orientation program at around 5 pm and welcome dinner at hotel's restaurant.

Day 2: Drive to Chame

Altitude: Chame (2650m) | Duration: 8 to 9 hours drive | Overnight: Guesthouse

After warm breakfast, we will head towards Chame from Kathmandu. The drive is about 9 -10 hours and is full of the beautiful scenery of mountains, rivers and lush jungles. We pass through paddy and muddy fields witnessing the green hills, snowcapped mountains and beautiful waterfalls on the way. Leaving Besisahar, behind we head towards, Chame headquarter of Manang. Before reaching Chame, you will pass through Danaque and ascend a steep path up to Timang which lies at the bottom of Lamjung Himal.

Day 3: Drive to Manang

Altitude: Manang (3540m) | Duration: 4 to 5 hours drive | Overnight: Guesthouse

Today, after a warm breakfast, we will drive towards Upper Pisang. After few hours of drive, we will reach to a beautiful valley with a great view of Annapurna II as well as Pisang Peak. Then, we will drive to Manang valley. From the ridge, you will get to see a wonderful Manang Valley and Tilicho lake. On the way, you come across a surface area from where you can get a breathtaking view of Annapurna III, and from the wide plains of Sabje Khola, you will get a beautiful view of Annapurna IV.

Day 4: Acclimatization Day in Manang

Altitude: Manang (3540m) | Duration: Acclimatize | Overnight: Guest House

Acclimatization day. Today we spend a day acclimatizing in Manang. The whole day we spend by doing some fine day walks to Gangapurna Glacier or Annapurna III Base Camp or Monastery and overlooking the magnificent views around the village. And the daytime is best to

gain altitude.

Day 5: Trek to Shree Kharka from Manang

Altitude: Shree Kharka (4060m) | Duration: 4 to 5 hours trek | Overnight: Guest House

Your hike today takes you through pine trees on a comparatively simple route to the Tibetan town of Khangsar. Gungang Himal and Mt. Chulu make up the majority of the mountains that are with you today. After a short distance, you arrive to Shree Kharka, where you spend the night.

Day 6: Trek to Tilicho Base Camp

Altitude: Tilicho Base Camp (4150m) | Duration: 3 to 4 hours Trek | Overnight: Guest House

Today, you will walk across the Annapurna region to the Tilicho Base Camp. Today's trail passes through landslide-prone areas, therefore caution is advised. Your journey consists of walking on a small path made of loose rocks, which makes today's trek relatively challenging. It is prone to landslides, so you must move slowly and carefully, making today's walk a little strenuous. The views of Tilicho Peak and neighboring mountains are breathtaking from Tilicho Base Camp.

Day 7: Trek to Tilicho lake and trek back to Shree Kharka

Altitude: Tilicho lake (4950m) | Duration: 6 to 7 hours Trek | Overnight: Guest House

Today, early in the morning you will get up and head towards Tilicho lake. The first section of the trail is a steady ascent to Tilicho Lake. After few hours walk, you can see the gorgeous Tilicho lake, which is awaiting you, on the other side of the water shed. This lake is below the North Face of Tilicho and is extremely cold and shimmering in the light. Many of us will be in fascinated by the lake's beauty. Tilicho lake also has significance for Hindus and is mentioned in one of their holy scriptures. You will eventually head back to Shree Kharka after taking some time to take in the breathtaking vista.

Day 8: Trek to Ledar

Altitude: Ledar (4200m) | Duration: 5 to 6 hours Trek | Overnight: Guest House

Today, you will ascend a steep trail through leaving Shree Kharka. You will cross along the Jarsang River eventually reach Yak kharkha which is pasture land for grazing Yaks and then reach Ledar.

Day 9: Trek to Thorang-La High camp

Altitude: Thorang-La High camp (4925m) | Duration: 6 to 7 hours Trek | Overnight: Guest House

Today, you will leave behind Ledar and head towards High Camp. The trail is rough as we will be crossing through the narrow path over Kali Gandaki River. The trail is tough way straight up and down in few places.

Day 10: Trek to Muktinath via Thorong-La pass

Altitude: Thorong-La pass, (5416m) | Duration: 6 to 7 hours Trek | Overnight: Guest House

Today, is a little tough day, as you will be crossing Thorung La Pass. You will follow the trail to Muktinath.

Day 11: Drive from Muktinath to Pokhara

Altitude: Muktinath (3760m) | Duration: 7 to 8 hours Drive | Overnight: Hotel Pokhara Grande or similar

Today, you will visit the Muktinath for few hours. In Muktinath, you will visit Muktinath temple, one hundred eight water spouts and monastery. After a wonderful day in Muktinath, today you will take a private Jeep from Muktinath and drive to Pokhara.

Day 12: Sightseeing tour in Pokhara
